

Catch a little holiday spirit.

Christmas at Crossroads Holiday Magic

These days, it's easy to be a Scrooge. But it's even easier to catch the spirit of the season at Crossroads Village, where you'll find thousands (and thousands) of lights, live entertainment, visits from a certain Jolly Old Elf and rides on Michigan's most spectacular moving holiday display, the world-famous Huckleberry Railroad. Dreaming of an old fashioned Christmas? It's just around the corner. At Crossroads Village. In your Genesee County Parks.
